MOBILE WAREHOUSE SOLUTION

OPTIMIZE WAREHOUSE PROCESSES WITH MOBILE WMS FOR MICROSOFT DYNAMICS 365 BC/NAV

Mobile WMS from Tasklet Factory is a mobile barcode scanning solution that supports the work processes in your warehouse. It features a stunning user interface which is easy to use and can be configured to fit the needs of the individual user.

Your warehouse employees will be more efficient and make fewer mistakes as **Mobile WMS** provides the tools and information needed to work effectively.

ADVANTAGES

OFFLINE FUNCTIONALITY

Mobile WMS makes it possible to perform core work processes without any network connection. The result is a stable solution with great performance.

INTEGRATES TO STANDARD

Mobile WMS is 100% integrated with standard Microsoft Dynamics 365 BC/NAV. All versions are supported.

INSTALLED IN JUST 2 DAYS

Mobile WMS is a true turnkey solution that can be up and running in a couple of days.

EASY TO CUSTOMIZE

Mobile WMS has been designed so it can easily be extended with custom functionality. All modifications are made directly in Microsoft Dynamics 365 BC/NAV.

USER FRIENDLY INTERFACE

Mobile WMS is developed with focus on minimizing “clicks” and irrelevant information. The end users will spend minimal time on training.

FEATURES

RECEIVE

Register and control received items.
Supports lot-/serial numbers
and expiry dates.
