TASKLET FACTORY

MOBILE WAREHOUSE SOLUTION

OPTIMIZE WAREHOUSE PROCESSES WITH MOBILE WMS FOR MICROSOFT DYNAMICS 365 FO/AX

Mobile WMS from Tasklet Factory is a mobile barcode scanning solution that supports the work processes in your warehouse. It features a stunning user interface which is easy to use and can be configured to fit the needs of the individual user.

Your warehouse employees will be more efficient and make fewer mistakes as **Mobile WMS** provides the tools and information needed to work effectively.

ADVANTAGES

OFFLINE FUNCTIONALITY
Mobile WMS makes it possible to perform core work processes without any network connection. The result is a stable solution with great performance.

INTEGRATES TO STANDARD
Mobile WMS is 100% integrated with standard Microsoft Dynamics 365 FO/AX. All versions are supported.

INSTALLED IN JUST 2 DAYS
Mobile WMS is a true turnkey solution that can be up and running in a couple of days.

EASY TO CUSTOMIZE
Mobile WMS has been designed so it can easily be extended with custom functionality. All modifications are made in Microsoft Dynamics 365 FO/AX.

USER FRIENDLY INTERFACE
Mobile WMS is developed with focus on minimizing "clicks" and irrelevant information. The end users will spend minimal time on training.

FEATURES

RECEIVE
Register and control received items. Supports batch-/serial numbers and expiry dates.

PICK
Picking of single or consolidated orders.

COUNT
Perform planned counts and tag counts.

UNPLANNED COUNT
Perform unplanned counts.

UNPLANNED MOVE
Perform unplanned movements of items.

UNPLANNED CART MOVE
Perform unplanned movements of multiple items.

FEATURES

INVENTORY ADJUSTMENT
Create journal to increase or
decrease quantity of inventory.

REGISTER BARCODE
Associate or add a barcode to
an existing item.

LOCATION CONTENT
Look-up the content of a
warehouse location.

LOCATE ITEM
Look-up the location, the available
quantity and the product data
of an item.

PRODUCTION ORDER
Report items as finished on a
production order.

JOB REGISTRATION
Report items as finished on jobs.

FEATURES

QUARANTINE ORDER
Handle quarantine orders.

ATTACH IMAGE
Use the camera on your mobile
device to attach pictures in the
work process or create item images.

PRINT LABEL
Print labels and show history of
label prints and make reprints from
the mobile device.
* printer license required

LICENSE PLATE INQUIRY
Show license plates in a specific
location and perform unplanned
license plate transfer. Show items
on a license plate.

PALLET TRANSPORT
Create planned and unplanned
transfer of pallets related to a
shipment. Create new pallet ID and
assign pallet type and location.
