MOBILE WAREHOUSE SOLUTION

OPTIMIZE WAREHOUSE PROCESSES WITH A MOBILE WMS SOLUTION FOR MICROSOFT DYNAMICS 365 FOR FINANCE AND OPERATIONS AND DYNAMICS AX

Mobile WMS from Tasklet Factory is a mobile barcode scanning solution that supports the work processes in the warehouse and integrates to the standard functions of Dynamics 365 for Finance and Operations and Dynamics AX.

It features a stunning graphical user interface that is easy to use and can be configured to fit the needs of the individual user. Your warehouse employees will be more efficient and make fewer mistakes as **Mobile WMS** provides the tools and information needed to work effectively.

ADVANTAGES

ANDROID OS

The **Mobile WMS** solution supports the Android operating system. This leads to a stable and future proof solution

USER-FRIENDLY

Mobile WMS has been designed with focus on minimizing clicks and irrelevant information. Users will spend minimal time on user training

ON/OFFLINE FUNCTIONALITY

The core working processes can be performed without any network connection. The result is a stable solution with great performance

ADVANTAGES

INSTALLED IN JUST 2 DAYS

Mobile WMS is a true turnkey solution that can be up and running in 2 days

EASY TO CUSTOMIZE

Mobile WMS has been designed so it can be extended with custom functionality easily

INTEGRATES TO STANDARD

Installation and support of the solution is easy as it is directly integrated with the standard features of Dynamics 365 for Finance and Operations and Dynamics AX
